Local Answers to Global Transitions: Challenges to Women's and Gender Studies in Plurilocal Perspectives

Celebrating 20 Years of the Centre for interdisciplinary Women's
and Gender Studies (ZFG)

Where does Gender Studies
stand today?
What are the political and
institutional conditions?
Which theoretical concepts,
developments and perspectives
have proven themselves or have
changed?

Contributions and discussions by
scholars and activist-scholars
from Africa, Asia, Western and
Eastern Europe and participating
guests.
